

REHAB TECH SUMMIT

FEBRUARY 19-21, 2021

INTRODUCING THE REHAB TECH SUMMIT

We'd like to introduce a first of its kind event - the Rehab Tech Summit. Rehab Tech Summit will be a virtual experience consisting primarily of recorded presentations (plus some live networking events) for those interested in the intersection of rehabilitation and technology, including physical therapists, occupational therapists and speech-language pathologists.

Attendees will have access to 50+ sessions including career spotlight interviews where we highlight stories of therapists in technology roles and skill building workshops where attendees learn a skill that pertains to tech curious practitioners, those seeking a potential future role in rehab technology or wanting to learn how to better use technology in their therapy practice.

Innovation in Rehab

We're excited to have Sarah Thomas, OT, as our feature Keynote, "Designing the Future - Creating Your Own Path Through a Lens of Innovation."

Join Sarah as she shares the non-traditional professional journey that has taken her around the world and made global impact. Learn the many exciting and influential roles a clinician can play in healthcare, technology and beyond.

Career Path Spotlights

Hear from our Career Path Speakers to learn from PT, OT and SLP professionals that have transitioned their careers to product management, telehealth practice, business development, research, digital health and MORE!

Read more about our exciting speaker line-up:

Skill Building Sessions

Learn from entrepreneurs, technologists and therapists on topics like:

- Integrating Advanced Technology Throughout the Continuum of Care
- Using Technology to Amplify Your Practice
- How to Build an App from the Ground Up
- Making Health Accessible Through Tech
- How to Build a Business (in Tech or Not)
- Growing Your Online Community and Bringing Value
- Building Your Network to Find Your Niche

CONTACT US TO PARTNER

We'd love to speak with your OT, PT or SLP organization or connect with your members to get the word out about the Rehab Tech Summit as well as providing insights to therapists interested in the intersection of rehabilitation and technology.

Contact us to connect about how the Rehab Tech Summit can serve your therapy organization and support your members in advancement of innovation and technology in rehabilitation !
